Pumped hydro storage isn't new (we've used it since !), but modern twists make it the Swiss Army knife of Electronic Government Procurement System (SEACE): This is the official platform for publishing tender notices, submitting bids, and accessing procurement information. State Procurement Oversight Body (OSCE): This is the supervisory body responsible for ensuring compliance with procurement laws and register of providers. All providers must register with the RNP in order to be invited in the country. This is something with which the VEDP is happy to help. We also recommend EACE platform updated. Not doing so can lead to disq
