

DNV expertise supports record USD 510 million financing for Chile's solar-storage hybrid project. DNV has played a key role in providing comprehensive advisory services to Atlas Renewable Energy to secure USD 510 million in financing for the landmark Estepa hybrid solar and battery storage project in Chile. As energy storage becomes increasingly critical for grid stability, DNV says it continues to support developers, financiers and offtakers navigate the technical and financial challenges. Atlas secures \$510mn in financing for Estepa hybrid solar and battery storage project. Financing for the project is to come from a consortium of leading international banks, including Citigroup, Agricole, BNP Paribas, DNB, SMBC, and The Bank of Nova Scotia.

Atlas Renewable Energy - Powered by Excellence - April 21, 2023 - Atlas Renewable Energy, an international leader in renewable energy solutions, secured the largest financing in its history for Estepa, a hybrid solar photovoltaic and battery storage project in Chile. DNV supports record financing for Chile's solar and battery storage project. DNV has provided advisory services to Atlas Renewable Energy to secure US\$510 million in financing for the landmark Estepa hybrid solar and battery storage project in Chile. Atlas secures US\$510 million for Chile solar-plus-storage project in Antofagasta, Chile. Chile Energy Storage Project Tender Announcement: What You Chile wants 70% renewable electricity by 2035, and storage is the glue holding that goal together. With tenders like this, the country could outpace Brazil's Amazon Wind. Zelestra secures \$282mn financing for hybrid solar and storage. The scale of the investment and the financial structuring involving several international banks reflect the current momentum for financing hybrid projects combining solar and storage. DNV supports record financing for Chile's solar and battery storage project. DNV has provided advisory services to Atlas Renewable Energy to secure US\$510 million in financing for the landmark Estepa hybrid solar and battery storage project in Chile. Additional information on Estepa hybrid project financing. More details have emerged on the \$510 million financing for Atlas Renewable Energy's Estepa solar-plus-storage project in the Antofagasta region in northern Chile. The Atlas Renewable Energy secures \$510 million for Estepa project in Chile. Atlas Renewable Energy has secured \$510 million financing for the Estepa project. It is a hybrid solar photovoltaic and battery energy storage system (BESS) project.

Chile: DNV expertise supports record USD 510 million financing for Chile's solar-storage hybrid project. DNV has played a key role in providing comprehensive advisory services to Atlas Renewable Energy to secure USD 510 million in financing for the landmark Estepa hybrid solar and battery storage project in Chile. DNV supports record \$510M financing for Chile's solar-storage hybrid project. Independent energy expert and assurance provider DNV has been playing a key role in providing advisory services to Atlas Renewable Energy to secure \$510 million in financing for the landmark Estepa hybrid solar and battery storage project in Chile.

Solar-Storage Symphony: Chile's Estepa Project Secures In a significant advancement for Latin America's renewable energy landscape, Atlas Renewable Energy has secured \$510 million in financing for its groundbreaking Estepa hybrid solar and battery storage project in Chile. Atlas Renewable Energy Secures \$510 Million Financing for Estepa Hybrid According to Mercom's recently released Q1 Solar Funding and M& A report, announced large-scale project funding in Q1 increased by 27% compared to Q1. AES Andes starts building two hybrid renewables projects in Chile. AES Andes has launched construction on two hybrid renewables-plus-storage projects in Chile.

hybrid renewable storage project financing options in Chile 2025

Chile with 2.2GWh of co-located BESS. DNV backs Zelestra in \$282 million hybrid project financing. DNV has enabled Spain-based Zelestra to secure a \$282 million green financing package for Chile's Aurora project, a 220 MW solar PV and 1 GWh battery storage hybrid. Zelestra secures a \$282 million green financing package for the Aurora project. The financing package has been agreed with Natixis Corporate and Investment Banking (Natixis CIB) and BNP Paribas, with a VAT facility granted by BCI. The hybrid Aurora Project Financing in Renewable Energy: A Complete Guide. Learn all about project finance, key concepts, evolution, challenges, and future trends in the clean energy sector in this ultimate guide. Atlas Renewable Energy - Powered by Excellence. Santiago - April 21, - Atlas Renewable Energy, an international leader in renewable energy solutions, secured the largest financing in its history for Estepa, a hybrid solar photovoltaic and Zelestra secures a \$282 million green financing package for the Aurora project. The financing package has been agreed with Natixis Corporate and Investment Banking (Natixis CIB) and BNP Paribas, with a VAT facility granted by BCI. The hybrid Aurora Project Financing in Renewable Energy: A Complete Guide. Learn all about project finance, key concepts, evolution, challenges, and future trends in the clean energy sector in this ultimate guide.
